Medevacs: Save Taxpayers Money By Making The Medevac System Efficient. Maryland's Air Space 54 Helicopters Air Medical - Law Enforcement. Maximize the medevac system with the most efficient coverage for Maryland Citizens by having a Private & Public Medevac Partnership. Dispatching the closest medevac helicopter with the highest level of care "CAMTS Accredited" is meeting the "patients needs" in the "Golden Hour" and having a more efficient Medevac system.

Law Enforcement: Many local Jurisdictions deploy helicopters for law enforcement, search & rescue, and are called to aid other jurisdictions.
